PAGEANT PHOTOS

- Pictures will be June 30th at practice.
- Please come with your hair and make-up done; you need to wear a strapless or strappy dress that the straps may be slipped down over your shoulders.
- You will be provided a wrap and necklace to wear for your picture.
- These pictures will be utilized in the newspapers, the Pageant program and attached to your resume.

PRACTICES

- Practices are held for your benefit and cover modeling, walking, posture, interview skills, speech skills and pop question preparation.
- Please wear a sundress, skirt or dress shorts, *no capris, or pants*. This will allow us to see your legs, which helps with walking and posture instruction.
- You will also need a pair of heels--at least two inches and can not exceed four inches. Platform heels should be avoided. If you have a pair of taupe heels bring them also. The pageant crew will also provide help with your pageant wardrobe. Please understand that you do not need to purchase anything new for the pageant.
**If you do purchase something, we suggest leaving the tags on and keeping all receipts until the directors have approved the item.*

The following is the suggested attire for each portion of the competition:

- Interview Suit

Appropriate attire for this portion of the competition would be a nice suit, heels, and hose. You will not find this suit in the Junior's section. We have many suits available in our Contestant's Closet.

- Evening Gown

A "pageant gown" is not necessary for county competition; however, the gown must be floor length. Choose a gown in your best color and shoes and accessories which add to your total look, not distract from it. There is no need to purchase a gown for this competition if you do not have one. Many contestants borrow from a friend.

- Swimsuit

Swimsuits must be one piece and a solid color. It should NOT be extremely low cut at the neck or high cut on the legs, per state competition rules. A suit with built in support is best. These are also available in our Contestant's Closet. As the Director, I reserve the authority to instruct any entrant to change her swimsuit should her first selection be inappropriate for competition. You must wear 2 - 4" taupe heels with your swimsuit. No jewelry is to be worn during this phase of competition.

THE CONTESTANT'S CLOSET

The Contestant's Closet is offered to help make the Miss Logan County Fair Queen Pageant affordable. All items can be borrowed but will need to be returned the evening of the pageant, in the same conditioned they were lended. If an item is turned in that need replaced the following fees will be applied:

Interview Suits - \$75

Swimsuits - \$75

Taupe Heels - \$50

HOW CONTESTANTS ARE SCORED

Each category carries a percentage of the total score. Each category is judged and scored independently from all other categories.

Categories include:

Personal Interview 35%

Speech and Communication Skills 30%

Beauty and Physique (in swimsuit) 15%

Stage Presence (in evening gown) 15%

Pop Question 5%.

- Personal Interview

- Individual interviews will be held in the afternoon prior to the pageant, beginning around 3:00pm. Please wear daytime make-up and arrive with your hair done for the entire pageant. Remember, this is the time the judges see you close up and first impressions do count. The judges will be especially interested in your personality, mental alertness, sincerity, grammar, general knowledge, personal appearance, manners, etc. The judges will be provided with an application from each contestant. The questions asked will be about you, your interests, and your personal views and goals. There will be no political or controversial issue questions that you need to “study” for. Interviews are four minutes long and will be timed.

- Communication Skills

– You have the opportunity to speak for one minute on any subject of your choosing. This speech is not looked at as your platform but more as a one minute to show who you are; funny, sincere, etc. Since the majority of the Queen’s job is to promote the Logan County Fair, how a contestant speaks and relates to a crowd is very important.

- Beauty and Physique

- While you are in your swimsuit, judges look for proportion of figure, bone structure, muscle tone, posture, walk and facial beauty.

*This will be done at the interview, not on stage

- Stage Presence

- Points are accumulated while you appear in your evening gown. The score is accumulated by grace, poise, and the confidence the contestant projects, not the gown.

- Pop Question

- You will also be asked a “pop question” on stage. The same question will be asked of each contestant. The answer does not need to be lengthy.

ABOUT THE JUDGES

There will be a panel of three men and/or women who are genuinely interested in you. Our judges are serious, yet fun-loving people from various places throughout Illinois. They want to enjoy this experience as much as you. Be yourself!

PRODUCTION NUMBER

Each contestant will participate in our production number. The production number opens the Miss Logan County Fair Queen Pageant. *The production number is not a scored portion of the pageant, but a fun way to start off the evening in front of Logan County.*

THE QUEEN

Our 2023 Logan County Fair Queen, Ellyn Martinez, will be present at all practices to share information about her reign and your possible responsibilities, should you be chosen as Miss Logan County Fair Queen.
